

70 Healthy Ingredients

More than 70 different ingredients were chosen from around the world for their potency and bioavailability (the ability to deliver the nutrients your body needs). Here are the key nutrient groups that these ingredients deliver:*

Protein and Essential Amino Acids to help build long, lean muscles and reduce food cravings. Prebiotics and Digestive Enzymes, which aid in improving digestion, regularity, and nutrient absorption. Antioxidants and Phytonutrients to help counteract free radical damage that can lead to degenerative diseases. Vitamins and Minerals your body needs to function for optimal health.

With a blend of 19 fruits, including açai, MonaVie is a unique and delicious nutritional beverage. The açai berry is the foundation of the MonaVie blend, but with literally thousands of phytonutrients and antioxidants found in nature's fresh fruits, MonaVie didn't want to focus on just one at the expense of others. This led to MonaVie's selection of 18 additional fruits, each selected for its unique, beneficial properties and ability to contribute a variety of phytonutrients and antioxidants to MonaVie's premier nutritional beverage. Together, the synergistic effect of the fruits in the MonaVie blend reaches far beyond what any single fruit could accomplish.*
